

# Hosting & Attending Coyote Kid, Parent, & Family Parties

**Each year, parents volunteer to host parties and we sell tickets to these parties at Auction. Coyote Auction Parties raise several thousand dollars every year.**

## ATTEND A PARTY

### BE A PARTY-GOER!

We call them auction parties because you purchase tickets to parties at Auction! On Auction night, tickets to all Coyote Auction Parties will be sold for a specified time and date in the coming year. You and/or your children are then able to have fun with friends, classmates, and fellow parents - all while raising money for Alice Carlson PTA.

### MEET NEW FRIENDS!

In addition to raising money for our school, there is another equally important goal of auction parties: building community. Coyote Auction Parties provide some of the best opportunities for Alice Carlson parents and kids to build community with one another.

## BE A PARTY HOST!

### WHO PAYS TO HOST A PARTY?

Party Hosts are volunteer parents who cover all expenses of hosting the party so that 100% of party's ticket sales goes directly to our school. Your budget doesn't have to be big and multiple parents can join together to host and split the costs of hosting.

### PARTY IDEAS

We offer three types of parties: Kid Parties, Parent Parties, and Family Parties. Feel free to be creative! Past parties have included swimming, putt-putt, bowling, Moms & Mimosas, and Adult Field Day. We can help you with fun party ideas!
